Subject - Construction of twin shop building behind the Octroi Office

I write to state that the Municipal Council at their meeting held on 30-4-1954 have resolved that the construction of the twin shop building behind the Octroi Office undertaken by Sri B Balakrishna Modaliyar at an estimated cost of - Rs 4,990/- may be completed early

In this connection I write to bring to the kind notice of Government that an estimate for Rs 4,990/- dated 11-12-1952 was prepared long after the errection of the twin shops to the terrance level The estimate was not placed before the Municipal Council and their sanction obtained since the work was taken up for execution on non-tender basis even though the cost exceeded Rs 500/- In a letter addressed to the Municipal Commissioner on 30th November, 1952 by the Contractor it is seen that the Contractor Sri Balakrishna Modaliyar has agreed to accept the rates sanctioned to another contractor Sri Babu Setty who built two shops behind the Octroi Office at a cost of Rs.6,800/ for the Municipality for which Government conveyed their sanction in their order No L 2319-21/CM 51-53-7, dated, 19th May, 1953 after its being scrutinised by the Superintending Engineer, Shimoga The matter was however placed before the Municipal Council on 26-12-1953 wherein it was resolved that the estimate for Rs 4,990/- may be sanctioned duly ratifying all the irregularities and that the Contractor be paid as per the then existing Munimum schedule of rates

Accordingly orders of Government were sought for among others in this office letter No M1 P R 13/53-54, dated, 14-1-1954

In these circumstances, I request you to kindly obtain sanction of Government for the construction of the twin shop building and to the payment of cost to the Contractor at the then existing ~~common~~ schedule of rate as per resolution of the Municipal Council dated, 27-12-1953, and communicate the same at a very early date
